SOUTHERN ATHLETES AFTER

JOHNS HOPKINS' GOAT

Stars From Many States Gather at Baltimore for Intercollegiate Meet.

Baltimore, Feb. 22.—Athletic stars from far and near are entered in the fourteenth annual indoor games to be held tonight at the Pimlico race track under the auspices of the athletic association of Johns Hopkins university. Besides the usual number of open events, seven South Atlantic Intercollegiate Athletic association championships will be decided.

Georgia Tech will run Johns Hopkins in a special one-mile relay event.

Each man of the 2,000 entries, representing every company in the division, was required to finish. The great majority never did running before joining the army, but all finished in closely-bunched fields.

JAKE ABEL VICTOR OVER

SHAUGNESSY AT MACON

Wants Mill With Ted Lewis and May Be Sent to Camp Wheeler as Instructor.

Jake Abel won the second decision of his engagement in Macon over Pete Shaugnessy at the Macon theater last night.

The early rounds indicated a close contest. The Oklahoma Bearcat, profiting by experience in the ring with Abel a few weeks ago, fought cautiously. Fifty-fifty was the verdict of the crowd in the opening innings. In the fourth Abel got to going and won of the main fight. Macon fans who have seen the Floridian in action say he has a good chance with Abel.

HOLDOUTS WARNED THEY MAY BE LEFT OUT IN COLD

Chicago, Feb. 23.—Charles H. Wegman, president of the Chicago National Guard, tonight served notice on players regarded as holdouts that unless they came to terms before the departure of the club for the spring training camp at Pasadena, Cal., they next month would be obliged to seek other employment.

"I shall not be bothered with holdouts this season," Wegman said. "We did not make any big cuts in salaries, despite the war. The players cannot afford to stay. The enormous salaries, and the players should be made to understand the situation confronting the club owners."

CONSTANT SUFFERER FINDS RELIEF

"I have been a constant sufferer from kidney trouble and three months ago was down sick in bed, for my back ached so severely," declared E. E. Reynolds, 412 Herick St., Elmira, N. Y. "While in this condition I read of Foley's Kidney Pills, so I commenced taking them. In a few days I was up out of bed. My kidneys and bladder were strengthened, my backache, rheumatic pains, sore muscles, stiff joints. Jo Anderson, druggist, Chattanooga, Tenn.—(Adv.)"

PLAN FOR PROTECTION OF GIRLS NOW COMPLETE

Florence Crittenton League of Mercy Has Option on Site for Reformatory.

The Florence Crittenton League of Mercy association met in the office of Dr. T. S. McCaillie Friday evening and worked out of its plan all objectionable features, and is now ready to submit a plan to the city council. The plan is a plan to take care of the girl problem in Chattanooga. Dr. McCaillie said Saturday that nothing definite was done as to the location, but that the committee had favorable reports of a certain location, which was under consideration. Assistant Attorney-General T. Pope Shepherd was of the belief that the association could not manage the problem without proper legislation, but, upon being shown the plan of working Mr. Shepherd agreed that it could be done. A committee on legislation was appointed—Mr. Shepherd, Frank Spurlock and O. P. Darwin. The league covers all the different phases of the work. "We have not yet decided," commented Dr. McCaillie, "and, another thing, 50 cents per prisoner is charged in the jails. We can keep the unfortunate for 25 cents less and give them religious influence, and on less expense basis per capita. There will be no turnkey fees, either."

The organization has the support of the Rotary club, Elks, city and county pledged, and hopes to receive government assistance. The work will be to take care of prospective mothers, young girls and girl mothers, the immoral woman and the incorrigible woman, and separate them in classes. "We have not yet decided," commented Dr. McCaillie, "and, another thing, 50 cents per prisoner is charged in the jails. We can keep the unfortunate for 25 cents less and give them religious influence, and on less expense basis per capita. There will be no turnkey fees, either."

Definite action will probably be announced Monday as to location of the proposed home. Members of the association are all anxious to get the home located and go to work at once.

TRYING TO MAKE SUNDAY FIT IN

Little Rock to Have New Park and Wants Sunday Schedule.

Atlanta, Feb. 23.—When representatives to the Southern association's annual spring meeting here resumed their sessions today, they were faced with the problem of rearranging the playing schedule for the season of 1918 to provide Sunday games for Little Rock.

President Allen, of the Little Rock club, a belated arrival at Friday's meeting, brought word with him that he was planning the construction of a new baseball park near the Camp Pike army training grounds, and had been assured the support of business men of the Arkansas city in his efforts to secure permission for Sunday games there. This added confusion to the adoption of the schedule, and it was thought probable that it might be necessary to recast the program entirely.

An agreement on the question failed late last night, after several hours' discussion.

AMES STEALS THREE BASES IN FIFTEEN YEARS' SERVICE

Leon Ames, in fifteen seasons in the National league, stole three bases, and he is nearing the 500 mark in games played. In his first eight seasons Leon religiously refrained from batting over .300. In the season of 1912 "Red" Ames started the baseball world and himself by stealing a base and batting over the .300 mark. It was an event in the life of the red-plumed whirler of crooked curves. The fans were astonished, reporters fainted and the opposing catcher immediately threw a fit when he saw that Ames had stolen on him. After this, "Red" contracted the habit, and for two consecutive seasons stole a base. Four years have elapsed since Leon attempted to steal the record of never having been caught stealing, and intends to clinch it, for he hasn't moved over three feet from first base since 1915. Few hurriers in the history of the game have anything on Mr. Ames when it comes down to batting for the cellar championship of the batting game.

TWO THOUSAND SOLDIERS IN CROSS-COUNTRY RUN

Surprising Records Made By Men Who Never Ran Before—Celebrate Holiday.

Ayer, Mass., Feb. 23.—Two cross-country runs in each of which 1,000 soldiers, wearing heavy army shoes and uniforms, raced over an ice-covered course of two and three-quarters miles, were the holiday features at the Massachusetts Institute of Technology.
